WELCOME TO THE 13th NATIONAL SAMOYED CHAMPIONSHIP SHOW

History of the National Samoyed Council of Australia and the National Show

Five Samoyed Clubs from around the country established the National Samoyed Council (NSC) in the mid 1980's

The objectives of the NSC include:

- to encourage and promote in every way the quality of breeding, care, training and exhibition of the Samoyed;
- to educate and encourage exhibitors, breeders and judges to abide by the Standard for the Samoyed, as approved by Dogs Australia.

Ron Addison is the current President of the NSC and Judy Hughes is the current Secretary.

The first Samoyed National was hosted by the Samoyed Club of Victoria Inc. in 1988. Since then, 4 other clubs have hosted the Show at intervals of around 3-4 years. Each event is eagerly anticipated and is the result of much work from a dedicated team.

The judge for each National is selected by the State hosting the Show and must meet the criteria of having bred, owned and exhibited Samoyeds.

Taste of the Wild®

Welcome from the Samoyed Club of Victoria Inc.

On behalf of the Samoyed Club of Victoria, I am delighted to invite all Samoyed fanciers to the 13th National Show to be judged by Mrs Averil Cawthera-Purdy of Lireva Samoyeds (UK) on 22 and 23 July 2025, and on Monday 21 July to the Samoyed & Puppy of the Year. (SOTY)

Our committee looks forward to welcoming everyone on this special occasion. How lovely it will be to catch up with our members, friends and fellow exhibitors.

In the meantime, we are working hard to present the National & SOTY and to deliver a fabulous event.

This booklet is designed to give you the information that you need and will be updated regularly as information comes to hand. In addition to the Booklet, our Facebook Page will keep you posted.

In the days leading up to the National, there are 4 All Breeds shows at the KCC Park and an All Breeds Show and the Utility Champ Show following the National.

We wish you every success if you are exhibiting and if you are visiting, we hope you have a wonderful and memorable time. Please enjoy our hospitality, and travel safely.

Debbie Parker

President – SCV Inc

March 2025

About our Judge Averil Cawthera-Purdy

I have been involved with Samoyeds since girlhood, being brought up with the breed. As a teenager I became the main handler for my family's Lireva Samoyeds and from an early age was involved with our breeding programme and choosing and training the puppies we kept. Ours was always a small hobby kennel with never more than 8 dogs, including our oldies at any one time, more usually around 3 or 4, with litters only being bred when we wished to keep a puppy ourselves.

I started judging the breed in my late teens and also served on the Samoyed Association's Executive Council, the youngest ever member. I was passed by the UK Kennel Club to award CCs in the breed in 1987 and first awarded at Southern Counties Ch Show in June 1987, in my 20s, I still rank as one of the youngest judges of the breed at championship level. I have judged all but one of the Samoyed Breed Club Ch Shows in the UK over the years and also judged at Crufts back in 2007, again becoming the youngest to judge the breed at Crufts, in my 40s.

I have judged in Europe on a number of occasions over the past 30 odd years: Spain, Finland and Italy being the most memorable.

In the ring Lireva Samoyeds have been successful winning 40 CCs and making up 9 UK Chs and winning at Pastoral Group Level.

I am also passed to award CCs in Pomeranians, (my Lireva Poms are the top winning kennel in the UK and have been for many years now.) Alaskan Malamutes and Finnish Spitz. All breeds in which I have owned and campaigned champions. I am also passed to award CCs to German Spitz (Mittel) & (Klein).

Thank you Message

To all of those who are helping to make this show a reality, we say thank you.

Ring Steward Gael Wilcock, Assembly Steward Shelley Turner, Judges Chaperone Dawn Ayton

To all exhibitors, thank you. There would not be a show without you.

We are very grateful for the support of our generous sponsors. You can find out more about them on page 7 and onwards.

We thank Averil for agreeing to come to Australia and officiate at our National Show and hope that Averil and Sean have a fabulous trip.

Set up around the judging ring

Trolleys and grooming tables will not be allowed ringside. Spectator tables will be set up around the ring and there will be an exclusion zone around the ring.

Grooming:

There is no designated grooming area as there is plenty of areas around the pavilion to use. Please note: you are responsible for cleaning up after your grooming area. Dogs Victoria have been extremely generous in cleaning for our area – please don't create extra work for them.

Judging

Conformation judging will take place in the Boxhall Pavillion.

The opening ceremony on day 1 will commence at 8.45am. Judging will commence at the conclusion of the opening ceremony not before 9am. On day 2 judging will commence at 9.00am.

Bitches will be judged on day 1.

Dogs and General Specials will be judged on day 2.

Use of the grounds

Trailer and Vehicle Parking

No trailers or vehicles are permitted on lawn areas throughout KCC Park. This is to protect the lawn and also the below-surface irrigation that has been installed. Parking is available on all gravel and carpark marked areas of the grounds (refer to above map).

Dog Exercise Area

The Park has fenced off-lead areas. There are also barbecues and picnic tables that DOGS Victoria and Companion Dog Club members may use any time the park is **open** (generally 8.30am to 5pm weekdays – weekends if dog events are being held).

Please remember that unless you are in designated, fenced off-leash areas or are participating in training or competition, your dog must be kept on a lead at all times at KCC Park.*

Larger Fenced Area*

The larger fenced area to the south of the Park has for many years been used for lure coursing, followed by herding when that discipline commenced. Clubs representing these activities provided substantial funding, plus manpower, to fence the area, making it more suitable for their sports.

Please note the following:

1. If the ground is obviously being set up or used for either lure coursing or herding, the entire area is out of bounds for all other usage.
2. If a member is already using the area at any other times, please wait until they leave before entering with your own dogs.
3. Please read the conditions of use displayed near the entrances.
4. Please pick up after your dogs, using bags and bins provided.
5. Please be considerate and give others a turn if they are waiting. We suggest 15 minutes is enough, you may be able to come back later after taking a pleasant lead walk around the rest of the Park and resume your free running.

Smaller Fenced Area*

Nearby there are three exercise runs donated by the Whippet Association of Victoria.

These facilities are a great asset for DOGS Victoria members, and we wish to ensure maximum usage, which will be made much easier if we humans all care and share and set a good example for our dogs!

Lunch - both days

Please see page 22

Other food at the event

The Samoyed Club of Victoria will provide complimentary tea and coffee. There will be no other catering at this event, however we are trying to have a Coffee Van attend. Both Uber Eats & Menulog have delivered to this venue previously.
